

# Renotec Bathroom Renovation – Packages & Process Guide

## 1. Introduction

At Renotec, we make bathroom renovations **simple, predictable, and stress-free**. This guide explains exactly what to expect, including **package options, the renovation process, and timelines**.

We also understand that every customer has unique tastes and preferences. Customers can provide their own materials to **design their own bathroom**, giving them full control over their choices. If a client prefers not to shop, **we can manage the selection and purchasing process** based on their budget and chosen package.

Each job is different. We provide customers with a **clear understanding of the budget they need** and guide them to make their final decisions with confidence.

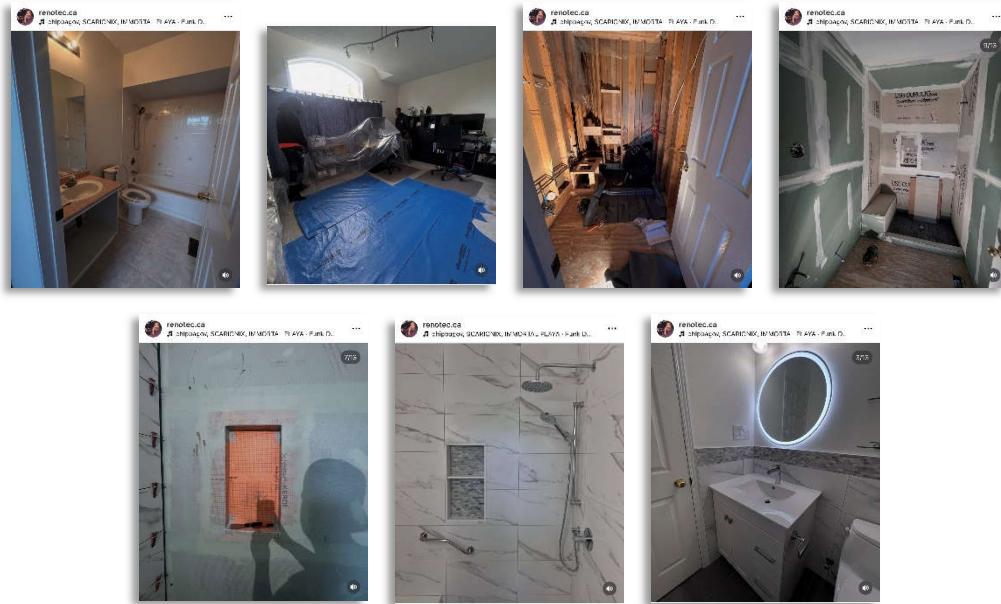

## 2. Bathroom Size Guidelines

Size	Sq Ft	Example
Small	up to 45	5' 8"
Average	46–85	10' 10"
Large	86+	14' 14"

### 3. Packages Overview

Package	Small Bathroom	Ensuite	Master Bathroom	Timeline	Warranty
<b>Basic</b>	\$9,000–\$10,500	\$10,500–\$12,500	\$15,500–\$18,000	1–2 weeks	6 months waterproofing
<b>Standard</b>	\$17,000–\$19,000	\$19,500–\$22,500	\$25,000–\$29,000	2–3 weeks	1 year waterproofing
<b>Premium</b>	\$24,000–\$27,500	\$27,000–\$31,500	\$35,000–\$41,500	3–4 weeks	2 years waterproofing

### 4. Material Costs (Customer Responsibility)

Package	Small Bathroom	Ensuite	Master Bathroom
<b>Basic</b>	\$2,500 – \$4,000	\$3,000 – \$5,000	\$3,500 – \$6,000
<b>Standard</b>	\$4,500 – \$6,500	\$5,000 – \$8,000	\$5,500 – \$9,500
<b>Premium</b>	\$6,500 – \$10,000	\$7,500 – \$12,000	\$8,500 – \$15,000

We help clients understand and manage material costs to fit their budget.

## 5. Optional Upgrades

Package	Optional Upgrades
Basic	Minimal; not recommended to keep cost low
Standard	Heated floors, upgraded lighting, smart toilet, custom framing, designer consultation, custom shower doors
Premium	Smart toilet, designer lighting, luxury faucets, custom interior design

## 6. Renovation Process

### Step 1: Consultation & Assessment

- On-site or virtual consultation
- Measure bathroom dimensions
- Discuss renovation goals, preferences, and budget
- Review optional upgrades

### Step 2: Package Selection & Material Planning

- Choose package (Basic / Standard / Premium)
- Decide on material responsibilities
- Supplier guidance & showroom visits if needed
- Assist customers in selecting materials or manage shopping on their behalf based on their budget and preferences

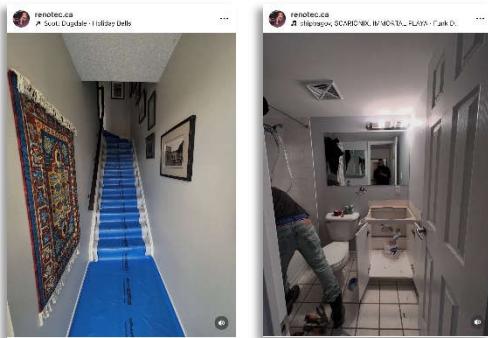

### Step 3: Scheduling & Project Planning

- Confirm start date & timeline
- Prepare bathroom & protect other areas
- Assign project manager

### Step 4: Demolition & Preparation

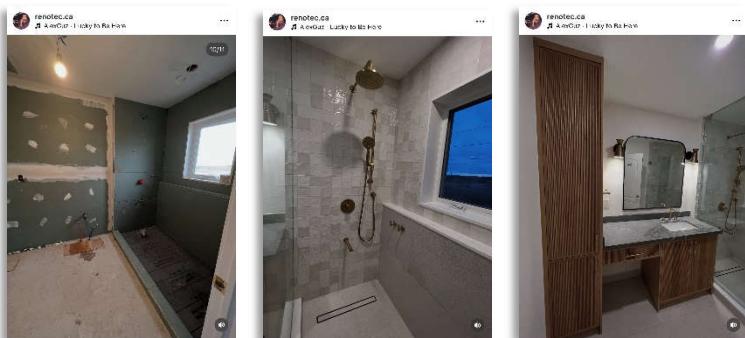

- Remove old fixtures & finishes
- Repair walls/floors

- Install backer boards & waterproofing
- Floor protection & dust containment

### Step 5: Construction & Installation

- Tile installation (standard/custom patterns)
- Install vanities, cabinets, faucets, mirrors, lighting, fans
- Wall prep, painting, trim/baseboards
- Optional upgrades installed

### Step 6: Finishing & Quality Check

- Grouting, caulking, sealing tiles
- Paint touch-ups, wall skim coat if needed
- Test all fixtures, drains, lights, fans
- Clean workspace

### Step 7: Walkthrough & Approval

- On-site walkthrough with client
- Verify work meets expectations
- Discuss warranty coverage

- Handover maintenance instructions
